## COMPUTER USERS OF ERIE (CUE)

The largest computer users group in northwest Pennsylvania, CUE has served Erie and surrounding communities since 1982. CUE provides a forum for people to learn about computers and have fun doing so. The group meets the third Thursday each month, with the exception of the months of July and December. In July the group gathers for a picnic and December is the annual holiday party (dates vary).

With the closing of Holy Rosary School where the group had been meeting for many years, CUE meetings are now at Wayside Presbyterian Church, 1208 Asbury Road, Erie. Meetings from April through October are at 7:00 p.m. From November through March the meetings are at 2:00 in the afternoon.

Many of our members are senior citizens who span a wide range of capabilities and interests but share a desire to know more about how to use computer related technology. Our role is to provide a forum for continuous learning from each other. CUE has a closed Google g-mail group that is used to communicate with members and/or to post questions or problems and to seek answers from the membership. Members pay an annual membership fee of \$24 and receive a membership directory, monthly newsletter and are invited to attend the monthly general meeting and any of the Special Interest Group (SIGs) meetings usually held in a member's home. Locations and times vary, so check the online EVENTS Calendar on the website for the latest information. SIG topics include:

- Digital photography
- Genealogy
- Macintosh computers
- Computer troubleshooting
- Beginners users group (BUG)
- Handheld smartphones and tablets

CUE is a member of the Association of Personal Computer User Groups (APCUG). APCUG is an International, platform-independent, volunteer-run, non-profit organization devoted to helping member User Groups offer enhanced services to their members. Some of the membership benefits include:

- Speakers bureau
- Free virtual technology conferences
- Regional conference
- Push newsletter articles.
- Discounts and special offers from vendors
- User group newsletters online
